Sir:

Applicants gratefully acknowledge the courtesies extended by Examiner Tran during the telephonic interview on February 27, 2007. The following document serves as the substance of this interview.

During the interview, applicants' representative discussed U.S. Patent 6,965,413 to Wada and U.S. Patent 6,690,417 to Yoshida et al. Applicants' representative asserted that each of the applied references did not teach or suggest the features of each of the independent claims 1, 8 and 26. Applicants' representative also indicated that a certified translation of the Korean priority document would be filed to withdraw the rejection based on U.S. Patent Publication 2004/009552 to Watanabe et al. Examiner Tran indicated that he would fully review the arguments after formally receiving the written response.
